Dear Wayne,

Read your good letter to Bob Hawks, the interesting clip, and the face of Bobby Joe Fabian, except for the hair, seems familiar. If and when you have time, I'd appreciate anything you can send, rap sheet, pic, descriptions, etc.

If I saw him, it probably had to have been in N.O.

What you say of this business seems like an understatement. It has the superficial indications of a means of preventing any trial.

If this is the case, ought not one wonder why?

Hurriedly,
